

STRIATIONS

PENCIL RIBS

FLAT PAN

ROOF & WALL PROFILE

KEY FEATURES

- 15" coverage option
- 26 and 24 Tru-Gauge™
- Concealed clip system
- 1-1/2" vertical rib
- Snap lock rib — no mechanical seaming
- On-site roll forming available for longer panels
- Panel options: Striations, Pencil Rib, and Flat Pan
- Made from high-tensile steel for superior load capacity
- All painted materials have corrosion resistant metallic finish under the primer and topcoat
- ArmorTech™ SMP paint system with a 40 year written paint warranty
- Oil canning is an inherent characteristic of steel products, not a defect, and is not a cause for panel rejection

SL-15 is an architectural standing seam panel with vertical, narrow ribs that provide an elegant and classic appearance. It is a snap-lock rib that requires no mechanical seaming.
