

# Rawhide Coated Metal

## REGISTERED WARRANTY

### 30 Year Limited Warranty

Subject to the conditions and exclusions set forth in this warranty, **TAYLOR METAL, INC.** (hereinafter referred to as TMP) provides the following express limited warranty with regard to Rawhide coated steel products of its manufacturer for use as an exterior roofing or sidewall building product (hereinafter referred to as Product). TMP Rawhide coated metal, when coated with textured coating technology ("Coated Metal") and when purchased by TMP's customer ("Purchaser"), will retain its film integrity, color and chalk as set forth in the Warranty Table below, provided the Coated Metal has been stored, transported, formed and installed in adherence to the exclusions and limitations portion of this limited warranty.

**Registration:** Within 45 days after installation of the Product has been completed, the Original Property Owner(s) must complete a Warranty Registration Card in full and mail it to TMP. Upon receipt, TMP will forward, by mail, to the Owner(s) the Registered Warranty complete with registration number. The owner(s) should keep this Registered Warranty in a safe place for future reference. Failure to notify TMP of the registration shall relieve TMP of all obligations hereunder. In addition, the warranty does not and will not take effect until the project has been paid in full.

#### Definitions:

1. Film Integrity shall be defined as the absence of peeling, checking, chipping or cracking, except for such crazing or slight cracking as may occur on tightly roll-formed edges or brake bends at the time of forming Coated Metal.
2. Color change shall be defined as freedom from fade or change as warranted in  $\Delta E$  units calculated in accordance with ASTM D2244, paragraph 6.2.2 CIEL\*a\*b\*, 10° observer, specular included. Color change is measured on an exposed painted surface that has been cleaned of surface soils and chalk (per ASTM D3964) and then compared to corresponding values measured on the original or unexposed coated surface.
3. Chalk or Oxidation shall be defined as a numerical rating as warranted when measured in accordance with the standard procedures specified in ASTM D4214.

**TMP's liability under this Warranty is limited as follows:** If TMP determines the Product to be defective according to the terms of this Warranty, TMP shall, at its sole option, repair or refinish the defective Product, replace the defective Product from current stock or refund the original purchase price of the defective Product. In no event shall TMP's liability exceed the original material costs of the product. TMP shall not be liable for any expenses connected with the labor for the replacement of the defective Product or any incidental or consequential damages. The warranty for any repaired or replaced Product shall be for the remainder of the warranty period applicable to the original Product. Delivery charges, installation costs and taxes are not covered by this warranty. Conditions and Exclusions: This warranty is subject to the following

#### Exclusions, Limitations and Conditions:

- a. The warranty covers only Product erected in the continental United States, Alaska and Hawaii which are exposed to normal weather and atmospheric conditions.
- b. This warranty shall not apply to product located within 1,000 feet or fewer from a salt-water, salt spray or marine environment. Site specific warranties are available upon request. For locations located from 0-999 feet of a mild or severe marine environment use Aluminum Alumiguard™ (see website for warranty).
- c. This warranty shall not apply to Product that has been painted or whose surface has been altered in any way without written authorization from TMP. Repair attempts or damage caused by such acts prior to TMP's inspection or written authorization shall void any and all protection under this warranty.
- d. The Product must be installed to prevent standing water and condensation. When used as roofing panels, the Product must be installed with minimum pitch of 1/2" per foot for Standing Seam roofs and 3" per foot minimum pitch for Pacific Pattern™ roofs.
- e. The product must be washed annually with either a fresh water rinse or a 5% solution of fresh water and mild detergent to prevent the accumulation of concentrated deposits. Fresh water rinses must be documented. Product may be pressure washed, however, settings must not exceed 1,000 PSI and 4 GPM. Any use of abrasive materials or chemical cleaners of any sort will void any and all coverage under this warranty.
- f. The warranty shall not cover failures or damage which arise out of any of the following:
  1. The formation of rust on cut panel edges, commonly referred to as cut end or cut edge corrosion/exposure.
  2. Direct or effective exposure to corrosive chemicals, fumes or materials including, but not limited to dissimilar metals, treated lumber, creosote or ash.
  3. Failure to routinely remove any debris accumulations from the Product including, but not limited to, pine needles, leaves or other accumulations of foreign substances.
  4. Use of any patina enhancing/modifying agents, chemical protectors/sealants of any kind, or any materials placed on the Product other than those stated above in "e" above.
  5. Occurrences beyond TMP's control such as acts of God, falling or wind blown objects, explosions fires, vandalism, civil disturbances, external forces, improper handling, improper installation, modification or misuse of the product.

- g. In no event is TMP liable for any incidental or consequential damages, including, but not limited to: personal injury, property damage or lost income.
- h. TMP reserves the right to discontinue or change any design or color of the Product. If, for any reason, Product of the type originally installed are no longer available from TMP at the time the defect is discovered, TMP, in fulfillment of its warranty obligation hereunder, shall have the right to substitute another Product determined by TMP, in its sole discretion, to be of comparable quality and price.

#### Remedy:

TMP's liability for breach of this limited warranty shall be limited exclusively to cost of either repairing or replacing non-conforming Coated Metal, or at the sole option of TMP, refund the purchase price for any defective Coated Metal to the Purchaser.

TMP must approve any recoating of the Coated Metal through submission of three (3) estimates that each includes the name of the coating products to be used, labor and material costs as well as any other costs associated with the work for refinishing or replacing the Coated Metal. TMP reserves the right to approve or negotiate the contract for such recoating if the initial estimate is deemed unacceptable. In no event will the original applicable warranty period set forth in the warranty table be extended by a warranty claim.

In the event of any subsequent failure of any recoated or replaced Coated Metal, Purchaser shall first make any claims against the supplier of those replacement materials.

The warranty period for any refinished or replaced metal substrate shall be only for the remainder of the original Coated Metal's warranty period.

This limited warranty shall automatically expire upon any change or transfer of ownership of the property on which such Coated Metal was originally installed.

#### General Terms and Conditions.

This limited warranty is extended to Purchaser only and shall not inure to the benefit of any other party. TMP's name, trademark, or limited warranty shall not be used in any warranty given by the Purchaser to its customers. This limited warranty is non-transferable and non-assignable by Purchaser, and Purchaser shall not permit its agents, representatives, customers, distributors, applicators, or contractors to claim, represent, or imply that this limited warranty extends to or is available to anyone other than Purchaser.

The applicable warranty period shall be limited to, and shall in no event extend beyond, the warranty period as set forth in the Warranty Table or the warranty period extended by the Purchaser to its customers, whichever is shorter. TMP reserves the right to terminate this limited warranty at any time upon thirty (30) days advance written notice, except with respect to any Coated Metal which has already been shipped to Purchaser.

**Transfer:** This warranty is non-transferable.

**Claims Procedure:** Any claim must be presented in writing to TMP within the warranty period and within 45 days of time after the defect is discovered. The claim must describe the claimed defect, the date the defect was discovered, and include pictures that clearly show the defect. The claim must reference the Warranty Registration Number and the original date of installation, and shall include the Owner(s) name, address and phone number. TMP shall be given a reasonable opportunity to inspect the Product in question. Notice shall be sent by registered mail to:
